Ken,

See the attached inspection forms Jeff asked me to send you. Note that we did not inspect in November ~~and December~~ since the pond had been dredged. **We started the inspections again in December after clarification on the inspection requirements from Dominion.**

I am still trying to track down the missing forms for the week of 8/30/2015, 9/6/2015 and 9/27/2015.

We are pulling together the S107 and S108 Industrial SWPPP Inspections Forms and will send this later this morning.
